

**CALL FOR PAPERS, POSTERS,
PRESENTATIONS & WORKSHOPS**

INTERNATIONAL SYMPOSIUM NAVIGATING THE FUTURE OF TRAFFIC MANAGEMENT

29 June – 03 July 2025 | Athens, Greece

Submission Deadline: 25 November 2024

Get involved – Submit a proposal!

Join experts in traffic management and innovation by submitting your proposals for papers, posters, presentations, and workshops for the International Symposium “Navigating Future Traffic Management”. Share your insights and advancements on key topics, and be part of a dynamic forum that fosters collaboration and drives the evolution of transportation systems.

Proposals must be aligned with one of the following key tracks of the Symposium:

- 1.** Governance and Organizational Challenges (with supporting transportation operations)
- 2.** Operational Strategies and Network Performance
- 3.** Next Generation of Traffic Management Systems and Services
- 4.** Paying to Sustain Highway Networks
- 5.** Sharing Traffic Management Data Within the Roadway Digital Ecosystem

Categories and Guidelines

Presentations & Posters

- **Abstract Length:** 250 - 400 words

Workshops

- **Duration:** 1.5 – 3 Hours
- **Template:** [here](#).

Papers

- **Word Limit:** 7,500 words
- **Templates:** [Word](#) or [LaTeX](#).

Student Paper Competition

- **Word Limit:** 5,000 words

Transportation students and their collaborators are invited to submit a scientific paper and take part in the **Student Paper Competition** as a part of the Symposium. If there are multiple authors, the leading author must be a current student in good standing. Only the student author will be eligible for the Student Paper Award. The top three finalists will present their papers at the Symposium.

How to Submit

All submissions must be done through the **Submission Portal**. Please make sure you are using the requested templates for each of the categories.
